

CERTIFIEDMAILSTREAM

Prepare, Track and Manage Certified Mail More Efficiently

Certifiedmailstream.com is the simple, secure way to prepare, track and manage your accountable mail that saves time and reduces postage costs.

Fast, Simple Preparation

Using the online application, creating a mail piece is fast and simple. Enter the address or select batch print from the address book or file import and press print. It's that quick and simple.

Flexible Print Options

Print the Certified Mail cover page on plain paper, add your documents and then insert them into the double window Certified Mail envelopes available in #10, 6x9 and 9x12 sizes or print to Certified Mail thermal labels and apply to your envelopes.

Option 1:

Print Address Cover Page with Barcode and Insert into Double Window Certified Mail Envelope

Option 2:

Print Barcode on Certified Mail Thermal Labels
