

FOR UPS · FEDEX · USPS SHIPPERS

Stop overpaying for shipping.

Every shipment is another chance to save. Dispatch compares your UPS, FedEx and USPS rates with IRD's discounted rates, so you choose the best carrier, service and price for every package.

SAVE UP TO

20%

on shipments where IRD's rate wins.
When your own rate is better, you
simply use it.

- ✓ **Keep your carriers. Keep control.**
- ✓ No long-term contract.
- ✓ No disruption to your current operation.

WHO USES DISPATCH

Built for the way your business mails and ships

One platform supports a single office, specialized teams and larger multi-location operations.

Law Firms

Protect document workflows while comparing cost, delivery dates and service levels on every shipment.

Client / matter # chargebacks

Pharmacies

Match the service level to each patient's time-sensitive needs. Compare UPS, FedEx, USPS and local carriers at once.

Time-sensitive delivery

Offices

Take the guesswork out of which carrier and service to choose. Dispatch streamlines everyday packages.

Everyday packages & mail

Warehouses

Hundreds of eCommerce marketplace plugins. Pick the right carrier, service and rate: yours or ours. You win either way.

Marketplace integrations

One platform. Your carriers. Our carriers. **Your choice.**

HOW IT WORKS

See the savings side by side.

Send us a few recent carrier invoices. We'll show you the opportunity shipment by shipment, with a free, no-obligation rate comparison.

01

Rate comparison

Share recent carrier invoices. IRD models your potential savings shipment by shipment.

02

Workflow review

We review your carriers, shipping stations and any eCommerce, ERP or OMS connections.

03

Configuration

Dispatch is set up around the way your team ships today.

04

Ship and choose

Compare your rate with IRD's rate on every package, then pick the carrier and service you prefer.

FEATURES

Every tool your shipping team needs

You asked for it, we delivered: rate shopping, automation and integrations in one easy-to-use platform.

Rates & carriers

Bring your rates

Load your negotiated rates, we load ours. You choose who wins.

UPS, FedEx + USPS rate shopping

Compare every available rate and service level per package.

Domestic + international

All shipments supported; international forms sent via EDI.

Pickup scheduling

Book UPS, FedEx and USPS pickups when you're not on a daily.

Speed & workflow

Batch processing

Import and quickly process multiple shipments at once.

Easy user interface

Clear, simple, intuitive and fast workflows for every user.

USB printer + scale support

Works with most USB thermal printers and scales.

Halo Auto Dim

Automatic package dimensions with compatible hardware.

Accuracy & visibility

CASS address verification

USPS-validated addresses help avoid costly correction fees.

Email notifications

Automatic shipment and tracking updates for your recipients.

Reporting + custom reports

Plenty of standard reports, plus easy custom report design.

Integrations & accounting

eCommerce marketplaces

Import orders from leading marketplaces with no duplicate data entry.

APIs + webhooks

Pass data back and forth with your order management system.

Cost accounting

Unlimited cost account / matter # chargebacks and reporting.

Your carriers. IRD rates. **Your decision.**
